

Hole template, page 1 of 2: PORT END (view from the fan side; ports to the left)

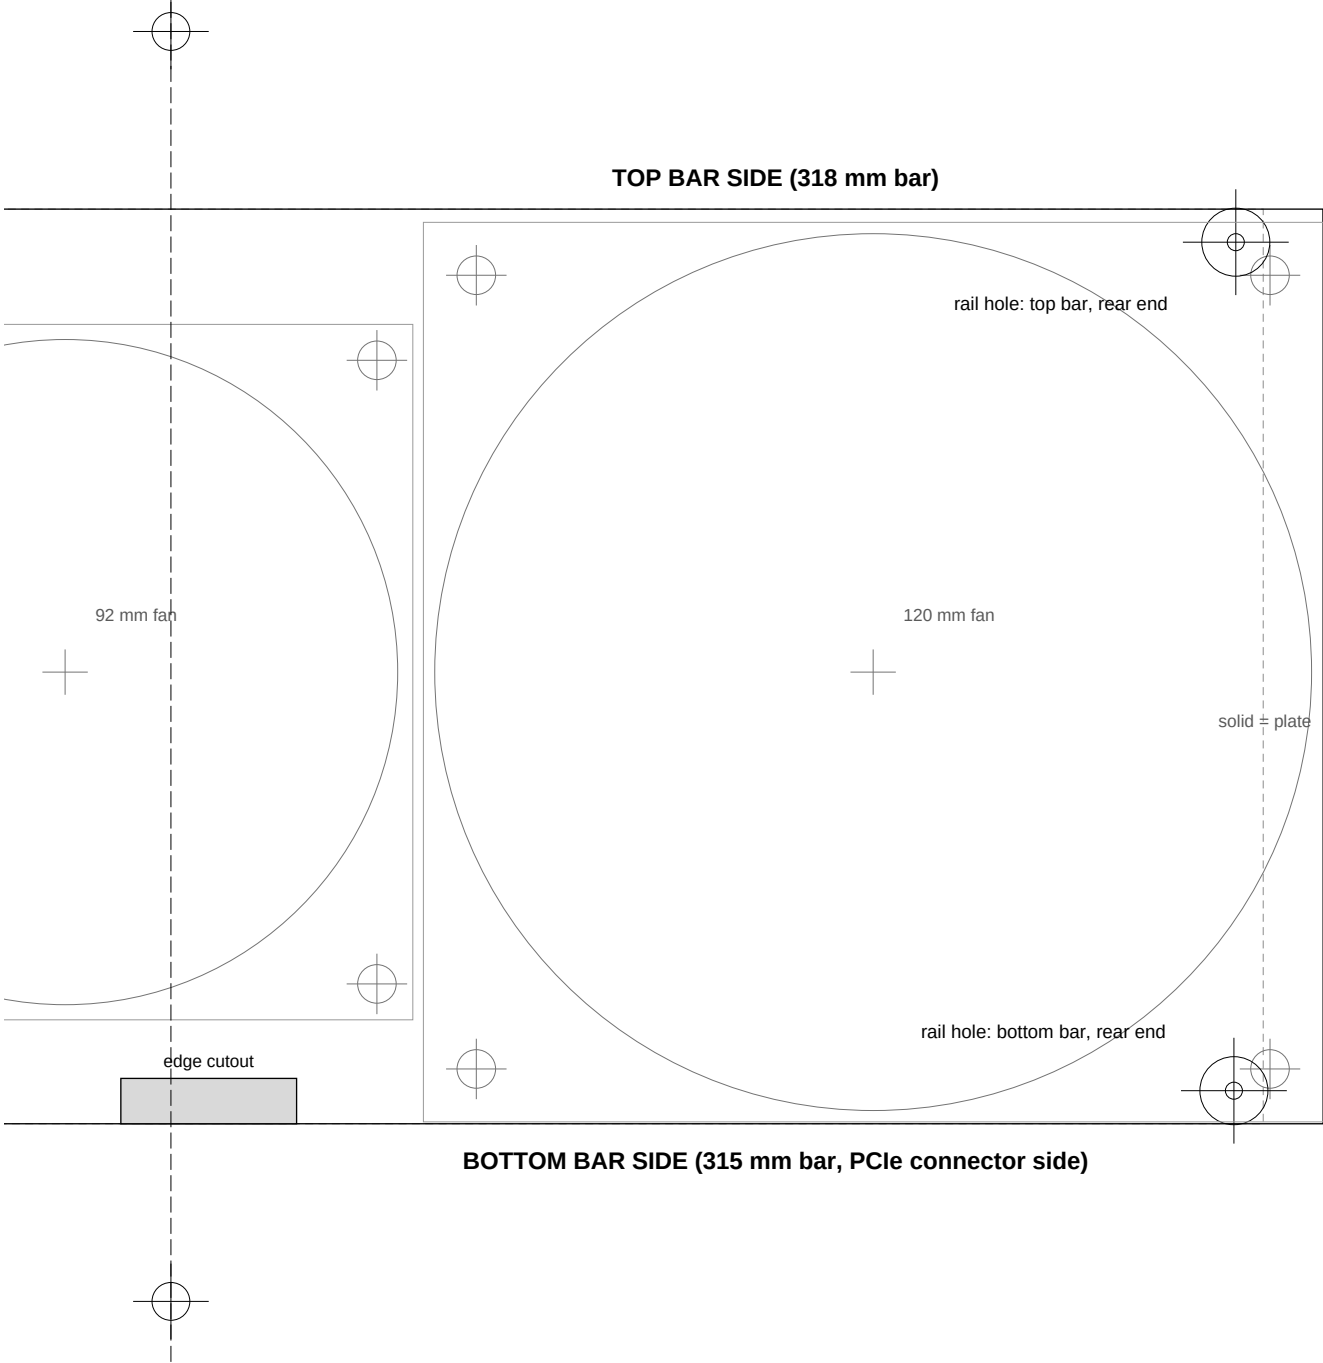

Cut page 2 along its dashed join line, lay it over this page so the join lines and both ringed crosses line up, then tape.

Scale check: this ruler must measure exactly 100 mm. Print at 100% / "Actual size", not "Fit to page".

Hole template, page 2 of 2: REAR END (view from the fan side; rear to the right)

Cut along the dashed join line on the left, then overlay on page 1 matching the two ringed crosses.

Scale check: this ruler must measure exactly 100 mm. Print at 100% / "Actual size", not "Fit to page".
